The screenshot shows the Kaggle website interface. The browser's address bar displays the URL: <https://www.kaggle.com/datasets/apoorvaappz/global-super-store-dataset>. The Kaggle logo is in the top left corner. A search bar is located at the top center. On the left side, there is a navigation menu with options: Create, Home, Competitions, Datasets, Code, Discussions, Learn, More, Your Work, and Recently Viewed. The main content area displays the 'Global Super Store Dataset' by APOORVA MAHALINGAPPA, updated 2 years ago. It shows 56 votes, a 'New Notebook' button, and a 'Download (12 MB)' button. Below the dataset title, there is a description: 'Consumer and product Analytics on Global Super Store Data.' and a small image of a shopping cart. The 'About Dataset' section is visible, with a 'Context' subsection. A notification banner on the right states 'Your account is unverified' and provides a 'Verify Your Account' button. The bottom of the page shows a Windows taskbar with various application icons and a system tray indicating the time as 11:54 on 11-11-2022.
